

PRODUCT NOTICE

At Kimray, our goal is to make a difference in the lives of those we serve. Over the years we've done that by keeping our prices as low as possible while still providing the best quality products for your production needs.

The economy of the energy industry is constantly changing. As we are seeing an increase in cost from our suppliers and the labor market, we have found it necessary to increase North American pricing on the following product groups beginning on **January 1, 2019**:

There will be a 20% increase on the following products:

Repair Kits
Parts
Gen II Liquid Level Controller

There will be a 12% increase on the following products:

High Pressure Control Valves

There will be a 10% increase on the following products:

Trim
All Other Products (Excludes Rotary-to-Linear Electric Actuator (YHN, YHO) and Electric Pilot (YEP))

Please note that there is no price increase on the Electric Pilot and R2L Electric Actuator.

These changes will go into effect January 1, 2019. As always, we appreciate the trust you put in the Kimray brand. Please contact your authorized distributor or Kimray store with any questions.
